

APES 2017-18 SUMMER ASSIGNMENT

Hello, my name is Mr. Gustin and this is your summer assignment for the 2017-18 APES class. It is expected that you complete all of the assignments over the course of your summer vacation.

I will be collecting everything on the **first day back to school**. It is suggested that you buy a composition book and complete all of your assignment in that book.

We will be testing on Chapter 2 14th Edition either on Friday of the first week or early the next week. Most of the work you will hopefully complete over the summer will get you off to a great start grade wise. If you don't do the work the opposite will probably occur.

You can do the assignments in no particular order but I am going to put them in a suggested order for you. Complete them in any order you want but I suggest not waiting until the last minute. On the Home Page is an assignment submission form if you want to send me your completed work ahead of time. You can send it via email as well.

Our website address is <http://gustinapes.weebly.com/>. We will be using this site extensively and every assignment you see is on it. It just takes some getting acquainted with where everything is on the site, which is not too difficult. I have linked all the assignments so they by clicking on assignment it will open it up for you.
